

In recognition/ In memoriam

We have set up a photo album in the Meetup site to honor our canine companions. We would like to recognize what our wonderful companions have done for our community and how they have helped others.

If you would like to add a photo of your canine companion who has retired or can no longer participate, please upload your photo and description, when you are ready to do so, on the Meetup site.

In the sad event of the death of your canine companion, and if you would like to do so, please write a tribute, when you are ready to do so, to include on the Meetup site. Feel free to include a photo of your dog, your name, and a note in the caption area noting where and when your dog served and any other information you would like to include.

To do this—

- Go to Photos
- Then scroll down to In recognition/In memoriam
- Click on this to open
- Click “Add photo”
- Select your photo to upload
- Click “Upload photos”
- Add caption

This album will recognize the great contributions our teammates have made to the SSR Calendar events. Volunteers may reach each other through Messages on the Meetup site.

We will also post this notification in the “Files” section of “More.” This notification in “Files” will only be accessible to volunteers who participate in events on the SSR Calendar.
